**Force Response:**

**Out of date drinks rectified at the time of the visit, staff at all hubs reminded to check food/drink products periodically.**

**Understandable issue regarding the lack of blankets over the Bank Holiday weekend. Demand was at its peak and this will be taken into consideration when items are restocked. Staff to be reminded that resilience suites will also be stocked and items can be taken from these suites to the other hubs.**

**Areas for Improvement:**

- Detainee lockers open.

- Some litter on cell floors noted.
- Out of date tea and coffee identified and removed
- 29.05.21 visit – 11:10am = several detainees reported cell call buzzers not being answered.
- Cell 42 – out of order due to broken intercom
- Cracking plaster on walls outside cells 1 – 10 (near detainee kitchen)

### **Force Response:**

**The suite was at full capacity 29/05/21 therefore the demand on staff was very high, this may explain the litter and call buzzer issues. It is always the intention to clean cells and answer cell calls as soon as possible. However on occasion demand is such that there is a delay.**

**Cell 42 broken intercoms will be fixed as part of the system upgrade within the next few weeks. Cracking plaster reported.**
