25/23	<p>We are interested in seeing a break down in funding grants for local victim services, for both multi-crime services and specialist domestic abuse services, with the names of individual grantees included. Funding allocations made within the last 12 months will suffice.</p>	<p>The information is available at <a href="https://northumbria-pcc.gov.uk/your-priorities/policy-and-commissioning/">https://northumbria-pcc.gov.uk/your-priorities/policy-and-commissioning/</a></p>
27/23	<p>How many emails have been sent to complainants outside of normal working hours (8am - 5:30pm Monday - Friday) from the current Director of Confidence, Standards and Statutory Reviews in his current and former role(s) for the Office of Northumbria Police and Crime Commissioner. The Director uses both the enquiries account and the <a href="mailto:scott.duffy@northumbria-pcc.gov.uk">scott.duffy@northumbria-pcc.gov.uk</a> email account for sending emails to complainants.</p>	<p>The information requested is not held in a format which would allow its locating and extraction from systems within the permitted 18 hours. To locate and extract the information requested would entail a manual search of all emails sent from the mailboxes specified in your request, to ascertain which were in relation to complaints as there is no “flag” or “marker” to identify these. Within the mailboxes identified by your request alone there are more than 150,000 emails covering a 5-year period, all of which would require a manual review to in order to locate, extract and collate the specific information requested. Additional time would also be required to review the deleted folders of those mailboxes as well as the sent folders of other staff who deal</p>

	<p>Please provide information for the past 5 years, breaking down the information by day of the week, one hour time blocks and source email account.</p>	<p>with complainants' correspondence. Even if it took a period of approximately 1 minute (some may take less or longer) to manually check each email it has been estimated that this exercise would take far in excess of 18 hours, therefore Section 12(1) of the Freedom of Information Act would apply. This section does not oblige a public authority to comply with a request for information if the authority estimated that the cost of complying with the request would exceed the appropriate limit of 18 hours, equating to £450.00. Additional time would then be required for postal communications etc.</p>
