

NORTHUMBRIA POLICE AND CRIME COMMISSIONER

Key Decision

Title and Reference:

(PCC/536/2023)

Summary

The draft agreement has been reviewed by Legal services in Northumbria Police, and no issues or concerns were raised. It was noted by Legal that insurance is the responsibility of individual forces who have deployed officers, staff and equipment, and that the forces are liable for their negligence, fraud or breach of the agreement but otherwise liabilities are shared amongst all participating forces. A force may withdraw from the agreement upon 12 months' notice, and the agreement will take effect when signed by all forces and their policing bodies.

Recommendation/Findings:

To sign the new Section 22 Collaboration Agreement.

Northumbria Police and Crime Commissioner
