# STATEMENT OF GOVERNANCE FOR THE POLICE AND CRIME COMMISSIONER AND CHIEF CONSTABLE FOR NORTHUMBRIA POLICE

## Introduction

The purpose of this statement is primarily to provide an integrated scheme of governance in order to give clarity to the way the two corporations' sole, Police and Crime Commissioner and Chief Constable of Northumbria Police, will govern both jointly and separately.

## Context

The principal statutory legal framework within which the corporations' sole will operate is:

- Police Reform and Social Responsibility Act 2011.
- Policing Protocol Order 2011.
- Financial Management Code of Practice.
- Strategic Policing Requirement.
- Victims Legislation.

Operating within this framework, the PCC and the Chief Constable intend to build upon existing good governance principles and experience.

In accordance with the CIPFA / SOLACE framework on corporate governance, the PCC and Chief Constable are required to produce separate annual governance statements to show how their respective organisations have complied with this joint code of corporate governance.

## Principles

The core principles to be adopted by both corporations sole will be those highlighted by the good governance standard for public services<sup>1</sup>:

- Focus on outcomes for local people.
- Clarity of roles and functions.
- Promotion of values and demonstrating these through behaviour.
- Informed transparent decisions and managing risk.
- Developing capacity and capability.

---

<sup>1</sup> Based on the Nolan Principle

- Engaging with local people to ensure robust accountability.

## Framework / Instruments of governance

The corporate governance framework within which the PCC and Chief Constable will govern, both jointly and separately will consist of:

- Statement of corporate governance – statutory framework and local policy.
- Scheme of corporate governance – defines the parameters within which the corporations sole will conduct their business.
- Separate policy and procedures for each corporation sole, with protocols and other governance documents where they operate jointly.

## Definitions within this Scheme of Governance

- The Police and Crime Commissioner shall be referred to as the PCC.
- The PCC's Chief Finance Officer shall be referred to as the PCC CFO.
- The Chief Constable's Chief Finance Officer shall be referred to as the CC CFO.
- The 'Force' shall refer to the Chief Constable, police officers, police civilian staff, police community support officers (PCSO), special constabulary, volunteers, and other members of the wider police family under the Chief Constable's direction and control.
- Unless the context otherwise requires, a reference to one gender shall include a reference to the other genders.

# SCHEME OF CORPORATE GOVERNANCE

## 1. Introduction

- 1.1 The Statement of Governance gives clarity to the way the two corporations sole (i.e., PCC and Chief Constable) will govern both jointly and separately to ensure they are conducting business in a lawful and efficient manner.
- 1.2 This Scheme of Corporate Governance sets out the delegations from the PCC and the Chief Constable to their respective staff. In addition, it incorporates other instruments such as the financial regulations and standing orders relating to contracts.
- 1.3 This Scheme aims to clarify those powers which, for the benefit of good business practice, are given to the statutory officers. The PCC and Chief Constable may limit these powers and/or remove delegation.
- 1.4 This Scheme provides a framework which ensures business is carried out lawfully and efficiently, ensuring that decisions are not unnecessarily delayed and are taken at the appropriate level. It forms part of the overall corporate governance framework of the two corporations sole.
- 1.5 Powers are given to the PCC and Chief Constable by laws, orders, rules, or regulations. Also, national conditions of employment give powers to the PCC and/or the Chief Constable or, as in the case of police regulations, the Secretary of State for the Home Department.
- 1.6 Any powers or duties placed on other statutory officers should be exercised lawfully in accordance with the PCC's and Chief Constable's respective delegations, standing orders and financial regulations, and relevant policies, procedures, plans, strategies and budgets
- 1.7 This Scheme does not identify all the statutory duties which are contained in specific laws and regulations however it provides the framework in which the various duties and powers are exercised.

## 2. General principles of delegation

- 2.1 The persons appointed as the PCC's Chief of Staff & Monitoring Officer (who will also be the Monitoring Officer) and the Chief Finance Officer<sup>2</sup> have some statutory powers and duties relating to their positions and therefore, do not rely on matters being delegated to them to carry out these specific powers and duties.
- 2.2 This scheme provides an officer with the legal authority to carry out appropriate duties of the PCC and/or Chief Constable. In carrying out these duties the officer must comply with all other statutory and regulatory requirements and relevant professional guidance including:

---

<sup>2</sup> appointed under Schedule 1, paragraph 6(1)(b) of the PRSR Act 2011

- The Police and Social Responsibility Act 2011 and other relevant legislation issued under this Act (e.g., policing Protocol Order).
- Financial Regulations.
- Contract Regulations.
- Home Office Financial Management Code of Practice.
- CIPFA Statement on the role of the Chief Financial Officer of the PCC and the Head of Finance/Chief Finance Officer of the Chief Constable.
- The PCC and Chief Constable's joint governance framework.
- The PCC's and Northumbria Police policies and procedures.
- The Data Protection Act 1998 and the Freedom of Information Act 2000.
- Health and safety at work legislation and codes.

2.3 This Scheme is a record of the formal delegations that are in effect at the time of its publication. The PCC and Chief Constable's joint governance framework, including this Scheme will be reviewed at least annually. With the exception, of those matters listed in paragraph 4.6, any person to whom a power is delegated under this scheme may sub-delegate that power as they deem appropriate. The formal responsibility and accountability to the PCC or Chief Constable for the effective discharge of such sub-delegated powers legally remains with the person to whom the power was delegated by the PCC or Chief Constable.

2.4 The PCC and/or Chief Constable may ask that a specific matter be referred to them for a decision and not be dealt with under powers of delegation.

2.5 The scheme does not attempt to list all matters which form part of everyday management responsibilities. A wide range of such matters is set out within a SLA for the provision of support services from the Chief Constable to the PCC.

2.6 Giving delegation to officers under this scheme does not prevent an officer from referring the matter to the PCC and/or Chief Constable for a decision if the officer thinks this is appropriate (for example, because of sensitive community and stakeholder issues or any matter which may have a significant operational or financial implications).

2.7 The PCC and Chief Constable may set out their reporting arrangements on actions undertaken by their own staff in respect of the use of powers delegated to them.

### 3. Financial Regulations, including Contract Regulations

3.1 Financial regulations explain the working financial relationship between the PCC, the Chief Constable, and their respective chief finance officers, having regard also to the role played by the Chief of Staff & Monitoring Officer.

- 3.2 Financial Regulations ensure that financial dealings are conducted properly and in a way which incorporates recognised best practice and focuses on bringing operational and financial management together with timely and accurate financial information. They also include sufficient safeguards for both chief finance officers who are responsible for ensuring that the financial affairs of the PCC and police force are properly administered to discharge their statutory obligations.
