### NORTHUMBRIA PCC RESPONSE TO HMICFRS

I welcome the joint inspection report on the national security division and multi-agency arrangements for the management of terrorist offenders in the wake of terrorist attacks.

Recommendations have been made to agencies across the criminal justice system, including Counter Terrorism Policing, but there are no recommendations directly for Chief Constables.

Whilst there are no direct recommendations, I will continue to monitor Northumbria's response to terrorism and the development of counter terrorism strategy through my regular scrutiny process.

Yours sincerely,

**Kim McGuinness**  
PCC for Northumbria
