NORTHUMBRIA POLICE AND CRIME COMMISSIONER**Key Decision****Title and Reference: NP0394 – Tetra Radio Refresh****(PCC/733/2026)****Summary**

To receive approval to direct award a 5-year contract to Sepura Ltd for a total value of £899,925 based on 891 handheld radio devices charged at £1,000 per devices and 5-days professional services charged at £1657 per day.

The cost of the device is inclusive of 5-years warranty, which will provide the Force with sufficient coverage until Airwave is phased out in 2030.

Recommendation/Findings:

This recommendation is based on a further competition conducted which concluded that Sepura Ltd could complete the refresh for £4,455 less than Motorola who priced at £1,005 per device compared to Sepura's £1,000 device.

It was also estimated that the installation of the Sepura product took on average 2 hours less to install than the Motorola device, estimated to save a total of 1,782 hours for the installation of 891 devices. This brings significant additional savings and efficiencies to the Force by having the vehicles off-road for less time and using less resource time to complete the installations.
